

*To our family and friends ...*

We would like to thank our family and friends for sharing in our joy and happiness on this very special day. Thanks to each of you who have traveled near and far to celebrate this day with us. The friendship, love and support of each of you has enriched our lives greatly. We would not be who we are today without you. As you have helped us grow as individuals, from this day forward we ask for your support and prayers as we grow together.
